Mandatory weight for beef and Dairy Beef. March 19th, @ 8:30 am to Noon.

All paperwork, DNA, and RFID tags in ears need to be completed before pulling up to weight in

Items to turn in:

DNA pulled with root follicle attached, 25/30 hairs, placed in a plastic bag with members name and RFID number written in permanent marker on the outside.

We recommend using hair from tail switch.

Use a separate bag for each animal.

Immediate family living at the same address may enter as a family. All members must be listed on paperwork.
