

CALHOUN COUNTY FAIRGROUNDS (CCAIS) 2021 HEALTH & SAFETY POLICY

PLEASE READ CAREFULLY BEFORE ENTERING THE FAIRGROUNDS

The health and safety of everyone entering the fairgrounds is our top priority. We have implemented several measures that you will see throughout the fairgrounds which are designed to protect our guests, exhibitors, concessionaires, volunteers, and employees from potential exposure to COVID-19 by minimizing contacts, promoting social distancing, and enhancing sanitation throughout the property.

In addition, to further protect the health and safety of persons at the fairgrounds, you will not be admitted to the facility and you should stay home if within the past fourteen days you have:

1. Tested positive or have been deemed presumptively positive with the Coronavirus
2. Sought testing to determine whether you might have the Coronavirus, and have not yet received the results
3. Been informed that you may have been exposed to the Coronavirus or learned that you have been in the immediate vicinity of a person now known to have been carrying the Coronavirus
4. Experienced any of the following symptoms commonly associated with the Coronavirus, including cough, shortness of breath, or difficulty breathing, OR two or more of any of the following: fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell

As required by the Michigan Department of Health and Human Services (MDHHS), once you enter the fairgrounds, there are certain buildings and areas where you are required to:

1. Wear a face mask (other than children two and under) while inside any of the designated venues
2. Adhere to the social distancing and personal hygiene guidelines posted throughout the fairgrounds

CCAIS reserves the right to modify these requirements on a case-by-case basis to accommodate any circumstance that in CCAIS's sole discretion warrants a modification to this policy.

CCAIS cannot guarantee that you will not be exposed to Coronavirus during your visit or while on any part of the fairgrounds.

The CDC advises that older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from Coronavirus.

Guests should evaluate their own risk in determining whether to attend. People who show no symptoms can potentially spread Coronavirus if they are infected and any interaction with the general public poses an elevated risk of being exposed to Coronavirus.

By coming to the fairgrounds in any capacity, you acknowledge and agree that you assume these inherent risks associated with your presence on the fairgrounds.

If at any time, the Calhoun County Fairgrounds General Manager determines that someone on the grounds does not meet the criteria outlined in this policy, he/she reserves the right to refuse entry or (if the person is already on the grounds) immediately remove that person from the grounds.

These actions are at the sole discretion of the Calhoun County Agricultural & Industrial Society.

By entering the fairgrounds, you acknowledge that you have read, understand, and agree to abide by this policy.

If you have any questions, or if you do not understand the policy, please contact the Calhoun County Fairgrounds General Manager at 269-781-8161 or ccaisoffice@gmail.com.
