Why Keep Records?

THESE RECORDS MUST BE IN A 3 RING BINDER (WITH SHEET PROTECTORS PREFERRED)

By keeping records, you will be able to see how much progress you make this year and over the course of your 4-H career as you set goals and work to accomplish them.

Good records will:

- Help you learn about animals, their rate of growth, the feed they require, the cost of the feed they require and their habits.
- Increase understanding of your projects' financial outcome.
- Assist you in gathering information on your breed.
- Improve your management practices.
- Keep track of your project activities and learning experiences.
- Allow you to better plan for future livestock projects

You may include pictures and awards at the end of your records.
